LETTER OF REFERENCE

To Whom It May Concern;

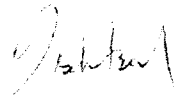

I would like to recommend KS Security Solutions as an outstanding security company.

Kamal has been servicing our security systems for approximately 10 years at our six Tim Horton's locations. Kamal works in an extremely organized and professional manner, he responds to all service calls with urgency!

KS Security Solutions is very knowledgeable with I3DVR systems, always willing to explain and suggest his best recommendations and with his expertise he stands behind his products and service with excellent rapport.

I "Highly Recommend", KS Security Solutions for your business!

Sincerely Yours;

Josephine Robertson (Owner/Operator)

To Whom This Concerns

Our Company has been using KS Security Solutions as our vendor of choice for our store security maintenance program.

We have found Kamal and his staff to be fair and honest , punctual ,and very knowledgeable in their business.

We have not had any issues with our security system since the inception of our agreement with KS Security Solutions.

We would highly recommend Kamal and his team to any business or residential customer who is considering a worry free maintenance system.

To whom this concerns

Our company has been using KS Security Solutions for our video security monitoring and service for the past ten years.

We have always found Kamal to be attentive, fair and able to solve any of our concerns. KS Security responds to service requests with the utmost urgency. They always arrive on site with loaner equipment, we have never been left without monitoring due to equipment breakdown.

I would not hesitate recommending KS Security Solutions to anyone seeking a security professional.

Sincerely,

John Meeussen
